PACIFIC RIM INDUSTRIES

PRO LVL RANGE

AUSTRALIAN CERTIFIED QUALITY

The Pro LVL™ range has been certified by an Australian Accredited Product Certification Body, providing a Certificate of Conformity certifying that the Pro LVL range is manufactured in accordance with AS/NZS 4357.0:2022 Structural Laminated Veneer Lumber. PRI certification relates to the described relevant standard subject to conditions and limitations.

RESPONSIBLE & SUSTAINABLE SOURCING

Pacific Rim Industries supports suppliers who conform with Sustainable Forest Management AS/NZS 4708 and Chain of Custody AS 4707:2021 for Forest and Tree-Based Products. Pacific Rim Industries is a proud supporter of FSC® / PEFC™ licensed timber and responsible forestry.
