PACIFIC RIM
INDUSTRIES

PRO-PRIMED H3

Pro-Primed, H3 is H3 LOSP laminated and finger-jointed Radiata Pine free from knots and defects.

Dressed all round for a smooth finish and pre-primed acrylic paint ready for the final topcoats of paint to be applied. (Please follow coating recommendations)

Pro Primed H3 is H3 LOSP treated for protection against termite, rot and decay. Making it suitable for above ground outdoor projects.
It is available in the profile and range of sizes (see table below.)

Please follow installation guide to ensure long-term performance. It is important to understand both the product and the installation process

Refer to the Building Code of Australia guidelines or your local building authority/council to ensure correct construction practices are followed.
